

## **The ECHO™ — Your Weekly Presentation Tip**

September 5, 2007

### **Musical Advice**

Sometimes in our rush to present our information as quickly as possible, we forget the power of pausing. No less a genius than Wolfgang Mozart had this to say:

**"The silence between the notes is what makes the music."**

Pause to let your audience digest and appreciate what you've told them. Thanks to Communispond faculty member Carla Haase for this timely reminder.
